A truck driver was driving along a country road. A sign came up that read “Low Bridge Ahead”. Before he realised it, the bridge was directly ahead and he was stuck under it. Cars were backed up for miles. Finally, a Police car arrived. The police officer got out of his car, walked to the truck’s cab, and said to the driver, “Got stuck, hey”. The truck driver said, “No, I was delivering this bridge and ran out of diesel”.

A lady was picking through the frozen chickens at a store but she couldn’t find one big enough for her family. She asked a passing assistant, “Do these chickens get any bigger?” The assistant replied, “I’m afraid not, they’re dead”.
